He married CHARLOTTE RICHARDSON, daughter of STEPHEN RICHARDSON and ELIZABETH MORRIS. She was born 1820 in Bullock, County, Ga., and died 1861 in Washington, Parish, La.(Pounds Poole cem.).

Notes for JOHN POOLE:

John drowned in the Pearl River. He is buried on the Poole Graveyard, now Pounds Cemetery south of Bogalusa, La. John was from Bullock County, Georgia. William Poole and his family migrated to Washington Parish, then St. Tammany, around 1810 with the other migrants from Georgia. They settled on a bluff overlooking the Pearl River. The spot still goes by their name, "Pool's Bluff".

John Poole died in the spring of 1848. The story of his death is a most interesting legend. During the spring freshet of 1848, the Pearl River rushed out over its banks. John Poole was caught on the Mississippi side of the river and wanted to get home. The water was turbulent and passage by boat was impossible. John had been on the Mississippi side of the river falling logs for the annual log float to Logtown. He had with him a team of his trusted oxen.

Thinking out his plight, he decided to drive the oxen to the water's edge and make them swim the river. This he did. As the oxen swam into the current, John caught one by the tail and proceeded to let the animal pull him across. As the journey was ending, a large limb came down the river and broke John's hold. Not knowing how to swim, he was pulled to the bottom. The onlookers were helpless. It was many days before the river receded and the hunt for John's body could begin. When the party making the search found the remains, they were so

badly decomposed that the burial had to take place on the spot. Over the years the earth that contained John Poole's remains has been claimed by the river. Today that site no longer exists.

Since such a few deeds or public records exist for the Brassfields and Poole families, the following documents have been printed therein.

Dear Marie,

Thought I would start to answer your letter. Sure hope you had good vacation and got some rest. I'll send you some money back and if you don't mind can you get deeds for me for Alex and Flora, John and Mary Pool and also Richard and Mary Tucker if possible. Have you found death cert. for Richard and Mary? Also need one on Alex and his parents.

Well, I'll start on your questions now:

- 1) no neg. yet just pictures. Have one of Maggie & John Pool on their 50th ann. Also one of grandparents on wedding day. Here is one of Walter Pool, and one of Granny Issie and John about 3 mo. before Granny died in 1981. Also have one of Mother and sisters & brother when they were young. Am sending Issie & Rupert's marriage plus death cert. for each.

A decline in marine resources

To the Editor:

In what way have the people of Jackson County
benefitted from our Marine Conservation Com-
mission?

There is a steady decline in marine resources.
What can be done? The money used to pay these
people to conserve could be spent on the new
production of oyster reefs. There are no oyster
reefs in Jackson County.

You can't find a decent looking oyster during the
imaginary season. If you don't believe me, check
what is open, when it opens, and the amount of
oysters taken in Jackson County.

The situation is like paying a hundred people to
guard three turnip plants, instead of planting the
field full. Results speak for themselves.

It's time for new construction, not old conserva-
tion.

Sends Poem To Mother

From faraway England comes this picture of a young American soldier as accompaniment to a poem that he wrote and dedicated to his mother, Mrs. Van Pool of Orange Grove. Private Robert J. Pool is with the Quartermaster Corps somewhere in Britain. He left the employ of the Southern Kraft Division of the International Paper Co., at Kreole to enter the service, January, 1943. While away, his wife, Mrs. Annie Pool, is making her home with her parents, Mr. and Mrs. Rufus Maples at Orange Grove. His parents also reside at Orange Grove. The poem follows:

Though I've many friends around me
And I hope to have others still,
There's a place in my heart for
Mother,
That nobody else can fill.
Her voice is low and gentle,
Her rule, how firm and kind.
There is no one just like Mother,
Friend and counselor combined.

Skipper Andrews and rest of crew saved from blaze

After burning for more than 50 hours, the hulk of a Pascagoula-owned boat was towed into Morgan City, La., at noon Sunday.

Bernard Walker of Coastal Marine Rentals, Pascagoula, owner of the boat, said the loss is estimated at \$75,000.

Capt. Alec Andrews of Gautier, engineer L. D. Walters of Whistler, Ala., and others in the crew were removed from the burning vessel by a sister boat.

The unidentified crew members were employees of Offshore Exploration Co., Houston, Tex., lessees of the boat used in oil exploration work in the Gulf.

Walker said the boat — the Jimmy Walker — had left Morgan City about midnight Friday when it caught fire about 20 miles out.

Capt. Andrews ran the 92-foot craft onto a mud bank to keep it from sinking. The men were removed by the Lillian Walker, skippered by Capt. William H. Green, Biloxi.

The fire burned for more than two days before the hulk could be removed and towed to Morgan City.

Cause of the blaze still had not been determined late Monday, Walker said.

The boat was built by F. B. Walker & Sons, boatyard at Pascagoula in 1952.

Local music lovers were scheduled for a holiday treat when Moss Point-Pascagoula Community Concerts was to present Nan Merriman, mezzo-soprano, in concert Monday at Moss Point High school auditorium at 8 p.m.

Critics claim that the glamorous Miss Merriman is probably the most popular American-trained artist now singing on both sides of the Atlantic, for the vivacious mezzo's unique versatility has won for her a "universal

attention of the great Arturo Toscanini and with him made 12 major appearances as the Maestro's soloist. This auspicious beginning established Miss Merriman as a major musical figure and made her one of the "most in demand" soloists with the world's principal orchestras.

"On the recital stage, where her star burns brightest, Miss Merriman's artistry has been headlined around the world. As an orchestral soloist, where her star has burned the longest, the list of conductors with whom she has appeared reads like a "Who's Who" of the music world."

Highway 63 Fill Condition Brings Another Protest

Only a few months after they had completed extensive repairs, the State Highway Commission was under fire here again this week as a result of the condition of the Escatawpa River fill on State Highway 63.

The Moss Point Young Men's Business Club protested to Commissioner Mundel Bush this week that "the fill (at the north and south approaches to the bridge) has fallen away fast and the road will very soon become impassable again, and . . . threatens transportation, commerce, life, and the health of several thousand citizens of Jackson, George, and Greene counties."

The resolution called on Mr. Bush to have an inspection made of the section of the highway and that "immediate action be taken to restore the road permanently for the heavy traffic involved."

An inspection of the section of road showed that the fill was "crumbling off" and the surfacing broken at both approaches to the bridge.

The condition of the section of highway, together with the U. S. Highway 90 bridges west of Pascagoula and the highway itself between Moss Point and Pascagoula was the subject of a number of editorials and other public protests during the past few years.

The U. S. 90 bridges were subsequently repaired, the highway between the two cities widened and resurfaced, and the Escatawpa fill repaired but the latter portion of the work has proven unsatisfactory.

A Prominent Chicago Woman Speaks

Prof. Roxa Tyler, of Chicago, Vice President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run in pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised me to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by McVea Young, Scranton and J. W. Stewart, Moss Point, druggists.

DIED.

On Sunday night at 11 o'clock, Edward, infant son of Capt. Levi and Mrs. Ida Randall, aged 2 years and 6 months. The funeral took place Monday from the family residence in East Side at 3 p.m. Interment in Machpelah cemetery, Rev. B. L. Mitchell, officiated.

Edward was a sweet little boy and a blessing to his home. His stay was short, but great comfort to his fond parents. May the Lord give grace to the bereaved parents to become reconciled to this sad event.

PASTOR.

Beat Out of an Increase of His Pension.

A Mexican war veteran and prominent citizen writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for on every renewal a dose of it restores me." It is unequalled as a quick cure for diarrhoea and is pleasant and safe to take. For sale by McVea Young, Scranton and J. W. Stewart, Moss Point, druggists.

In Loving Memory of Flora E. Poole Young January 19, 1913 - January 4, 1990

LOVING MEMORIES

Your gentle face and patient smile
With sadness we recall

- You had a kindly word for each
And died beloved by all.

The voice is mute and stilled the heart
That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.

You are not forgotten loved one
Nor will you ever be,
As long as life and memory last
We will remember thee.

We miss you now, our hearts are sore,
As time goes by we miss you more.
Your loving smile, your gentle face,
No one can fill your vacant place.
